## 3 REASONS YOU NEED REGULAR DENTAL VISITS

1

### OVERALL HEALTH

Poor oral health has been linked to Cardiovascular Disease, Dementia, Diabetes and many more. Healthy mouth = much healthier YOU!

2

### STOP GUM DISEASE

When allowed to progress, gum disease results in bone loss, mobile teeth, painful chewing and bad breath. Regular dental visits can stop the progression of gum disease.

3

### LOVE YOUR SMILE

Your smile is a warm welcome to the world. You should never have to worry about your smile. Proper oral health ensures you can smile on cue!
