If you wish to receive a full copy of the terms and conditions of the live auction, please submit your request to [treasurer@friendsofmip.com](mailto:treasurer@friendsofmip.com).

## Silent Auction

- 1) You must be a registered bidder in order to bid in the silent auction. If you do not have an assigned bidder number, please proceed to the Registration Desk.
- 2) Your program is your official identification. All bid numbers will be attached to the back of the program.
- 3) Each item or group of items is identified by a specific bid sheet. To enter a bid, write your bid number and name next to the dollar amount you wish to bid. You may bid on an item as often as you like.

- 4) Each Silent Auction Bid Sheet will have a highlighted row. Bidders who place a bid at the highlighted price will receive a raffle ticket. Please write your name and phone number on each ticket and place your ticket(s) into the bowl in front of the raffle prizes offered. Raffle will begin after gaming has closed and everyone has cashed out. You do not need to be present to win.
- 5) Bidding in the Silent Auction begins at 5:30pm after registration and will close promptly at 6:55pm. Any unsold Silent Auction items will reopen for bidding post Live Auction.
- 6) Before or during the Live Auction, we will post the Silent Auction winners near the check-out table. After the Live Auction, you can handle your complete winnings in a single transaction.

## Live Auction

- 1) You must be a registered bidder in order to bid in the live auction. If you do not have an assigned bidder number, please proceed to the Registration Desk.
- 2) Your program is your official identification. All bid numbers will be attached to the back of the program.
- 3) When your item of interest comes up for auction, you can begin making bids. To place a bid, raise your program with the number side showing to the auctioneer until you have the attention of the auctioneer or ringman. If no one bids after you, then you are declared the winner.
- 4) When the auctioneer says the word "sold" or the gavel falls after the bidding has ceased, that means the item is sold as the auctioneer directs to the clerk. The bidding cannot be reopened after the word "sold" is said.
- 5) At the end of the Live Auction, please proceed to the Check-out area to collect and settle your transactions.

*Thank you again for your support of the first Mandarin Immersion Program in Orange County. Our children appreciate your generosity.*

### Own your very own Wyland

Renowned marine life artist Wyland changed the way people think about our environment when he started painting life-size whales on the sides of buildings in the 1980s. Wyland always thought big. And he never stopped.

Today, the Wyland name has become synonymous with the new generation of awareness about environmental conservation. Through his unique marine life paintings, sculptures, and photography, Wyland has inspired a generation about the importance of marine life conservation. His life — like his art — can find him anywhere around the world, at any time, from the Antarctic ice shelf on a photo expedition to document climate change to a grassroots journey down the Mississippi River on a mission of conservation.

This limited edition lithograph is titled "Ocean Calling". It is personally signed by Wyland himself.
