

CLOSE THE GAP

2017/18 School Year **ANNUAL FUND**

The Mandarin Immersion Program at Marian Bergeson Elementary School is a tuition free and donation dependent public magnet program created as "cost neutral" to CUSD with everything above and beyond the cost of an English only program funded by Friends of MIP. While other language immersion programs within CUSD have federal Title I funding due to their higher percentage of lower income students, **our program relies on parent funding** to pay for our rigorous language and math curriculum as well as the technology and training needed to support this competitive 21st century education. Friends of MIP looks to the parent community to help us close the funding gap in order to implement this rich educational program.

We are asking each family to donate \$600 per child
